**Dear Investor,**

We are excited to announce the launch of the FAME 4.0 Client Access. Starting today, all clients can access their accounts on the new FAME 4.0 platform at fame4u.com.my.

FAME 4.0 offers enhanced functionality to provide clients with a seamless and improved investment experience. The key features include:

- Portfolio Summary

- Account Holdings

- e-Statement Generation

As we continue to refine the platform and integrate additional functionalities—such as buying, selling, and switching—transactions will still need to be processed through existing FAME https://www.fame.com.my for now. We are running FAME 3 and new FAME (FAME 4) in parallel during this transition phase.

We're excited to share more updates as we roll out additional features in the coming stages.

Should you have any questions or require further assistance, feel free to reach out to us.

Thank you for your continued support!
